### Budget

It is expected that the applicant will make a cash and in-kind contribution to the project. Council will not wholly fund grant projects.

- Please outline your project budget in the income and expenditure tables below, including details of other funding that you have applied for, whether it has been confirmed or not.
- Provide clear descriptions for each budget item in the 'Income' and 'Expenditure' columns.
- Use the 'Notes' column for any additional information you think we should be aware of.
- All amounts in this budget must NOT include GST
- Quotes may be requested for any expenditure over \$1000
- The Australian Bureau of Statistics advises the hourly rate for volunteer labour is \$46.00
- Any volunteer hours should be listed in both the income and expenses as in-kind

Your budget **MUST** balance (TOTAL INCOME AMOUNT = TOTAL EXPENDITURE AMOUNT).

Please do not add commas to figures – e.g. type \$1000 not \$1,000 – this will ensure your figures for each table total correctly. The total income and expenditure will automatically add up in the totals below the budget table
